

Glenview School District #34
Parental Authorization For Student's Computer Network Access

IMPORTANT - PLEASE READ CAREFULLY

The District's computer network is a valuable resource that is used consistently with the District's educational mission. The computer network is connected to the Internet, and thus allows students virtually unrestricted access to individuals and information from around the world. The District has implemented technology protection measures to prevent access to certain objectionable material, but cannot guarantee the effectiveness of these measures.

I have read and accept the attached Board Policy and Rules and Regulations regarding use of the District's computer network. I understand that any unacceptable use of the computer network is grounds for suspending or revoking computer network privileges, and may result in discipline up to and including expulsion from school, as well as criminal or civil penalties. I realize that my student might access objectionable material through the Internet. I also understand that the District may provide my student with an e-mail account that can be accessed through any computer with Internet access, and I accept full responsibility for supervision of my child's use of the Internet outside of school. I understand that, consistent with Section VI of the attached Rules and Regulations, the District may review all files, including electronic communications, that are created on, stored on, or sent to, from, or via the computer network consistent.

I will indemnify the District and be liable for any losses, costs, damages, charges or fees, including, but not limited to, telephone charges, long-distance charges, per-minute surcharges, equipment or line costs, or attorney fees, caused or incurred by my child relating to, or arising out of, my child's use of the District's computer network or the violation of any District policy, rules, or regulations. I request that the District allow my student to access the computer network, and agree to hold harmless the Board of Education of Glenview School District #34, its individual Board Members, employees, agents, and assigns, for any harm caused to my student or to me relating to, or arising out of, my student's use of the District computer network or the violation of any District policy.

This Authorization will expire, and a new Authorization must be submitted, any time that my student enters into a new District school or that his or her computer network privileges are suspended or revoked.
